Praying that

The little sister will be queen of the throne in her life

The one that is free to hold her choice as the sea

Light of the seven slowly making her the no one

Where is the power?

Where is the love?

Where is the power?

Where is

Praised be the hunger for victory

For Goddess trusts no man

Praised be the hunger for victory

For Goddess protects the queen

For Goddess protects the queen

For Goddess protects the queen

*Note from NDG: I don't think those are the correct lyrics, but they sound good and make sense.*

*Since the official lyrics remain unknown, I decided to use this one!*
